Who We Are

At NC Home Pros, we've been transforming homes for over two decades, combining exceptional craftsmanship with innovative design to create spaces our clients love. Whether you're looking to remodel your kitchen, renovate your bathroom, or complete a full home transformation, our team is dedicated to delivering results that exceed expectations. We work closely with you throughout the entire process, ensuring clear communication, transparency, and the highest quality service from start to finish.

Our story isn't just about what we build—it's about who we are. Proudly women and veteran-owned, our company stands apart by bringing the values of dedication, integrity, and resilience into every project we undertake. Our unique blend of military discipline and thoughtful creativity ensures meticulous attention to detail and innovative solutions tailored specifically for you.

Our Values

We deliver high-caliber results that stand the test of time.

QUALITY

We take pride in the details. Every cut, finish, and fixture reflects our dedication to excellence.

CRAFTSMANSHIP

We keep you informed every step of the way- with clarity, consistency, and care.

COMMUNICATION

We believe in doing the right thing- every time.

INTEGRITY

Our Process

Why Choose Us?

OUR TEAM

As a veteran and woman-owned business, we bring discipline, integrity, and a fresh perspective to every project. Our values shape the way we treat our clients and manage our work, from the first call to the final walkthrough.

STREAMLINED PROCESS

We've refined our process to be as smooth and stress-free as possible. From your first form submission to the final walkthrough, you'll know exactly what to expect at every stage.

CLEAR COMMUNICATION

Communication should never be a guessing game. Through our client portal, you'll have access to your schedule, Gantt chart, photos, and all project communication in one place so you're always in the loop.

RESPECT FOR YOUR SPACE

We treat your home like it's our own. Our crews keep work areas clean, stick to the schedule, and respect your time and space every step of the way.

Our Capabilities

With over two decades of experience in the industry, NC Home Pros specializes in high-quality residential renovations and new builds. From stylish kitchen updates to full-scale home transformations, we've built a reputation for craftsmanship, integrity, and results that last. As a veteran-owned and woman-owned company, we take pride in doing things the right way- with honesty, clear expectations, and constant communication.

At NC Home Pros, we're not just skilled- we're fully licensed and insured, which means you're protected and your project is in qualified hands from start to finish. Unlike many in the industry, we hold ourselves to the highest standards of professionalism. Whether it's a simple upgrade or a new build, our team has the training, experience, and credentials to handle the job with precision and care. Being fully licensed also means we can pull the necessary permits and meet all code requirements- saving you time, money, and potential headaches down the road. We don't cut corners. We deliver peace of mind.

Classifications

We are proud to be a woman-owned, veteran-owned, and family-owned business. These values are at the heart of everything we do. Being veteran-owned means we bring discipline, integrity, and commitment to every project. As a woman-owned company, we approach each renovation with creativity, attention to detail, and strong leadership. And as a family-owned business, we treat your home like it's our own- with care, respect, and a personal touch. We're not just here to complete a job, we're here to build trust, relationships, and spaces that truly feel like home.

Raleigh

This custom home office showcases a striking black built-in with natural wood accents for a modern, moody aesthetic. Designed for both function and style, the space features a workstation with ample storage, floating wood shelves, and elegant brass hardware. The black cabinetry contrasts beautifully with the warm wood tones and leather seating, creating a sophisticated yet comfortable environment. Natural light from the large windows highlights the craftsmanship and useful layout.

FEATURES

- Custom built-in shelving
- Brass hardware
- Natural wood shelves and top

Cary

This kitchen features a clean, modern farmhouse design with a fresh, airy feel. The gray shaker cabinets are beautifully complemented by sleek stainless steel appliances and elegant brushed nickel hardware. White quartz countertops with subtle veining add a touch of luxury and brightness, tying in seamlessly with the white subway tile backsplash and floating shelves that offer both style and function.

FEATURES

- White quartz countertops
- Floating shelves
- Subway tile backsplash
- Brushed nickel hardware

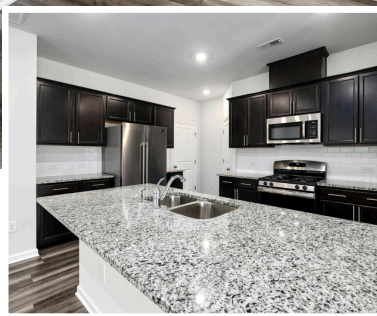

Wake Forest

This stunning bathroom transformation combines modern luxury with timeless design. Featuring a spacious walk-in shower with dual showerheads, built-in shelving, and elegant marble-inspired tile throughout, every detail was designed with comfort and style in mind. The freestanding tub, paired with matte black fixtures, adds a bold contrast and spa-like feel. The mix of textures creates a space that's both functional and visually striking.

FEATURES

- Black hardware
- Free-standing bathtub
- Rainfall shower head
- Marble-inspired tile

Holly Springs

This open-concept kitchen and living area brings modern functionality and effortless flow together. Rich, dark cabinetry pairs with stainless steel appliances and granite countertops for a sleek and sophisticated look. The extended island invites gathering and casual dining, while the light walls and luxury vinyl plank flooring create a spacious, airy feel throughout. Natural light pours in from the back doors and windows, giving the space a warm and welcoming vibe.

FEATURES

- Open-concept layout
- LVP flooring
- Recessed lighting
- Stainless steel appliances

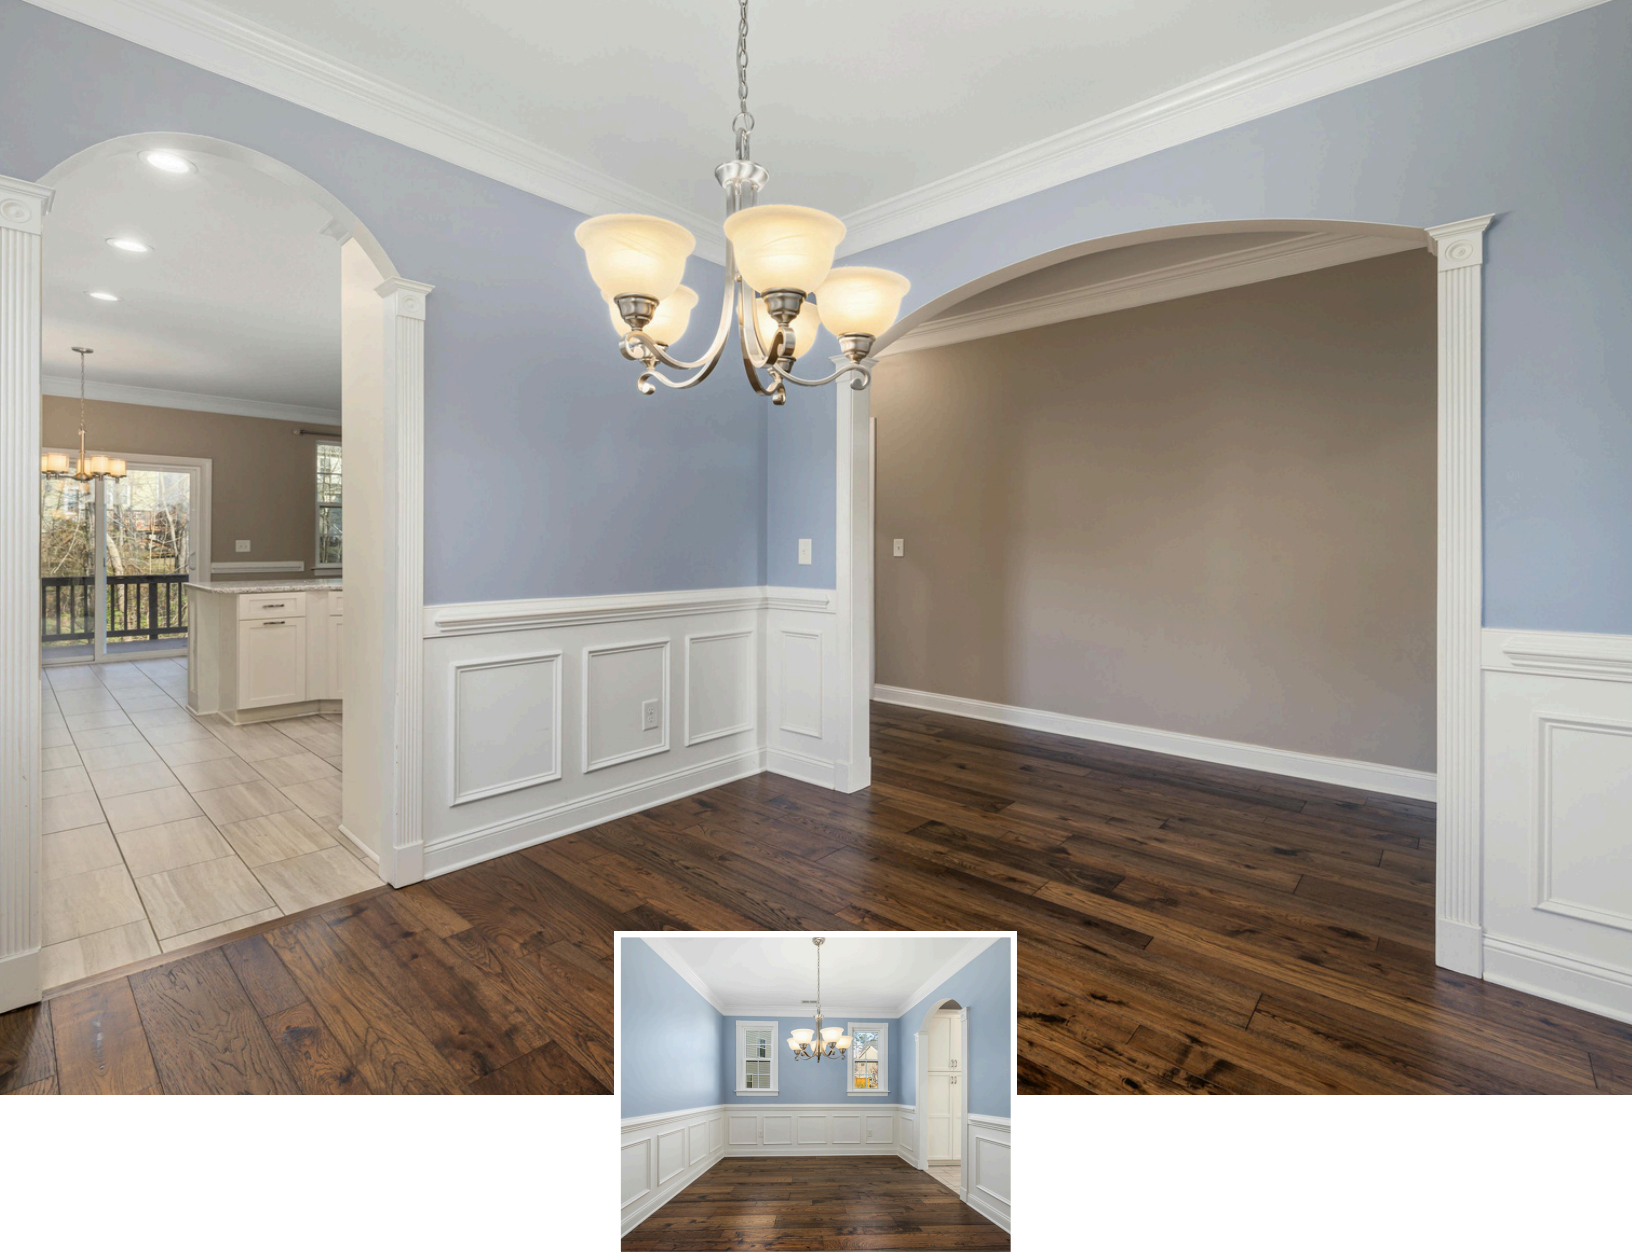

Apex

This stylish row of townhomes blends modern design with inviting character. The exterior paint colors are thoughtfully selected in soft, modern tones that complement one another while adding visual interest and personality to each home. Large windows allow for abundant natural light inside, while the attached two-car garages and private entrances add both convenience and functionality.

FEATURES

- Soft, complimentary colors
- Garages
- Large windows
- Private entrances

Garner

This living space showcases timeless elegance with a modern touch. The rich hardwood flooring adds warmth and character, while the soft blue and neutral wall tones create a calming, inviting atmosphere. Classic wainscoting and crown molding elevate the space with a touch of sophistication. Arched entryways lead into the adjacent kitchen and living areas, enhancing the open flow and natural light.

FEATURES

- Arched entryways
- Wainscoting
- Rich hardwood flooring
- Soft blue interior paint

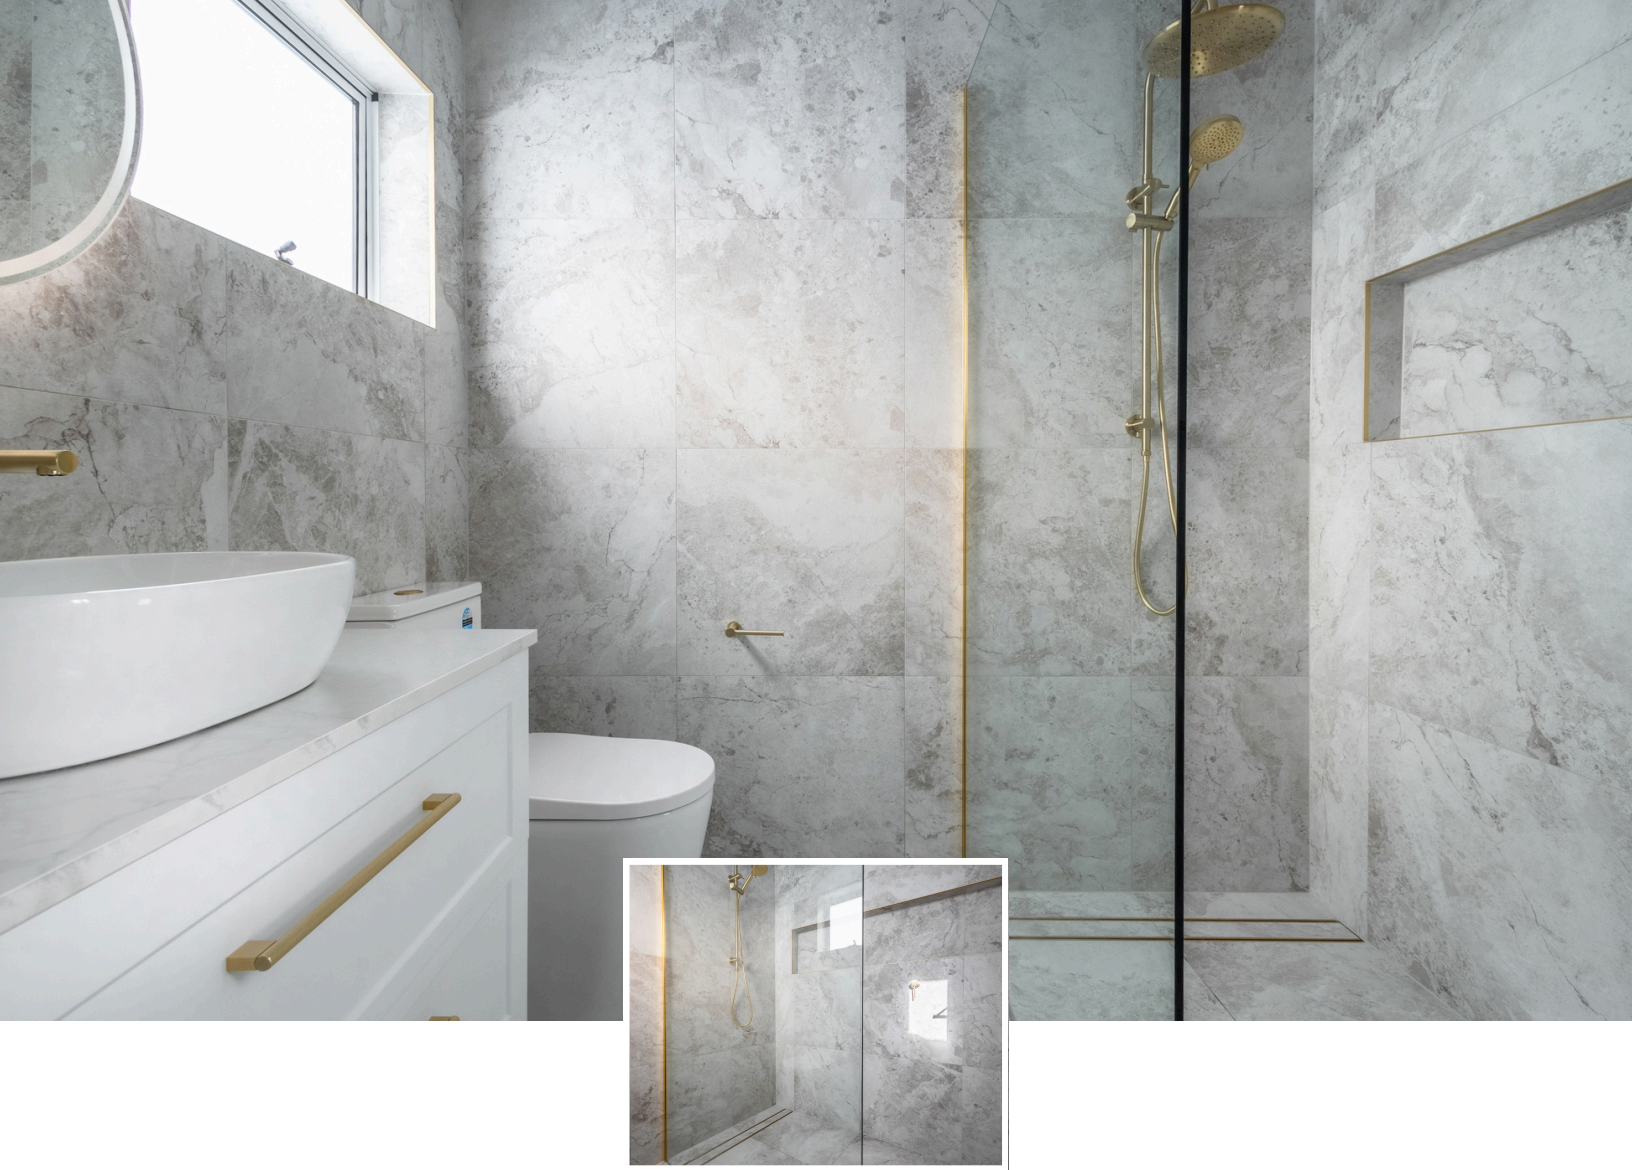

Morrisville

This open-concept space blends comfort and functionality with timeless style. The LVP flooring and soft neutral palette create a warm, inviting atmosphere throughout. The kitchen stands out with rich wood cabinetry, granite countertops, stainless steel appliances, and bold pendant lighting that adds a modern edge. Flowing seamlessly into the living and dining areas, this layout is perfect for both everyday living and entertaining. Natural light pours in through large windows and glass doors, making the entire space feel airy and bright.

FEATURES

- Warm-toned LVP flooring
- Statement lighting
- Double glass doors
- Built-in cooktop

Fuquay - Varina

This bathroom proves that small spaces can still deliver big on style. Wrapped in stunning floor-to-ceiling marble-inspired tile, the space exudes a clean, spa-like sophistication. The walk-in shower features elegant gold fixtures and a built-in niche for convenience and style. A floating vanity with gold hardware and a vessel sink adds a modern, upscale touch, while natural light from the window keeps the room feeling bright and open. Every detail is thoughtfully designed for both luxury and functionality.

FEATURES

- Gold hardware and trim
- Floating vanity
- Vessel sink
- Floor-to-ceiling tile

Knightdale

This kitchen is a bright, modern dream brought to life. Crisp white shaker cabinets pair beautifully with sleek gold hardware, offering a clean yet elegant aesthetic. The quartz countertops and custom geometric tile backsplash add texture and interest, while the built-in gas cooktop and statement hood elevate the space with a chef-worthy touch. Centered around a large window that brings in natural light, the layout feels fresh, open, and thoughtfully designed for both form and function.

FEATURES

- Geometric tile backsplash
- Built-in cooktop
- Gold hardware
- White shaker cabinets

Clayton

This bathroom delivers a perfect mix of modern edge and natural charm. Vertical sage green tile and speckled stone walls create rich texture and visual depth, while the natural wood vanity introduces warmth and contrast. A soft blush vessel sink paired with matte gold fixtures adds a playful yet elegant touch. Finished with a curved mirror and generous natural light, the space feels both fresh and thoughtfully curated.

FEATURES

- Sage green tile
- Vessel sink
- Matte gold fixtures
- Asymmetrical mirror

Zebulon

With crisp, horizontal and vertical siding in a soft gray palette, the exterior offers timeless curb appeal with low-maintenance durability. The covered front porch adds a welcoming touch, while the two-car garage provides practical convenience for everyday life. Thoughtful details like modern trim work, clean rooflines, and a dark accent door add depth and personality to this streamlined, move-in-ready home. Built with care and intention, it's a perfect blend of classic charm and modern efficiency.

FEATURES

- Vertical siding
- Two-stall garage
- Dark-toned front door

Rolesville

Centered around warm wood tones and crisp white finishes, the space flows effortlessly from kitchen to dining to living—ideal for both entertaining and relaxing. Exposed wooden beams create a sense of rustic luxury. Natural light pours through expansive windows, illuminating the custom built-ins that offer comfort without compromising style.

The transitional flow continues through French doors and wide openings, where thoughtful design details elevate the space with timeless elegance.

FEATURES

- Wooden beam ceilings
- Semi-open concept
- Corner cabinetry
- Rustic chandelier
